Dear Chief Craft:

Charles

We wish to thank you for loaning Officers Dan Langbeen and Brian Warzecha for duty during President Bush's visit to United Solar Systems on Monday, February 20, 2006.

It is nice to know that we have the cooperation of the Troy Police Department when events such as this require extra assistance to protect the President, or any highly visible person that may visit our community.

Sincerely,

Doreen E. Olko
Chief of Police
