SUBJECT: Agenda Item - Public Hearing
Commercial Vehicle Appeal
5152 Prentis

On March 3, 2006, information was sent to Bujar Rexha that identified restrictions related to a commercial vehicle located on his residential property. As part of that information, he was advised that the Dodge cube van parked on the property did not comply with the exceptions found in Chapter 39, Section 40.66.00. He was given the option to remove the vehicle or appeal to City Council for relief of the Ordinance.

In response to our letter, Mr. Rexha has filed an appeal. The appeal requests that a public hearing date be held in accordance with the ordinance. A public hearing has been scheduled for your meeting of April 3, 2006.

The existing home on this property has a total living area of 2,110 square feet. This includes a first floor living area of 1,240 square feet plus an attached garage of 420 square feet. The lot in question is 70' wide and 120' deep with an area of 8,400 square feet. Based upon the requirements of Sections 30.10.04 and 40.56.00 an additional 410 square feet of attached garage could be constructed. In addition, a detached garage up to 618 square feet could be built.

Should you have any questions or require additional information, kindly advise.
