Dear John:

The 37<sup>th</sup> Annual Magic of Fall/Troy Daze Festival was another success with more families than ever attending the four day event. While the weather prevented any new attendance records being set, the Festivalgoers who came had a variety of events to choose from including the expanded children's area. We had more positive comments made about the Festival to committee members than ever before.

The Magic of Fall/Troy Daze Festival Committee would like to thank those people who worked for Tim Richnak in the Public Works Department for all their help in setting up and tearing down the Festival. We would like to acknowledge in particular **Tom Rosewarne, Duane Blucher, Todd Culver, Doug Billings, Tracey Crane, Larry Holmes, Jonathan King and John Zawojczyk.**

Once again we used the expanded layout this year. Tim's people started on Monday and worked diligently throughout the week putting up all the signposts. All their efforts paid off in a Festival layout that was signed well before the Festival opened to the public on Thursday. The Festival Committee volunteers really appreciated working with such professionals. We ask that you and Tim share this letter with them.

We are already planning the 38<sup>th</sup> Magic of Fall/Troy Daze Festival. We hope that these same people will be assigned to help us.

Sincerely,

Jim Cyrulewski  
2005 General Festival Chairman
