Dear Sue:

On behalf of the Michigan Association of Code Enforcement Officers, I would like to thank you for your presentation on criminal misdemeanors and your participation in our mock trials on October 11, 2005, in Novi.

The information that you provided was very informative and well presented. Being in the courtroom setting in this type of relaxed atmosphere was extremely helpful for the officers. Many indicated after having been a part of the mock trials they feel more at ease with the courtroom setting. They were very grateful for the opportunity to participate in this type of hands on training.

We very much appreciate the time that you took from your busy schedule to be a part of this training. It was one of the best seminars that the group has ever had the pleasure of hosting.

Best wishes,

Jeannie Niland
President
