Troy, Michigan, 48084

Charles Craft, Chief of Police
Troy Police Department
500 W. Big Beaver
Troy, Michigan

Dear Chief Craft:

I have lived in Troy for almost 30 years and have always been so proud of our police department... I have always felt safe and secure in this city due to the efforts of your police officers.

Recently I came to the Police Department to ask some questions regarding a matter of personal safety... I spoke to Officer Peter A Dungien. He was amazing, so kind and so patient and answered all of my questions. I felt so much better after our conversation. I even believe it was the end of his shift, but he made the extra effort to spend time with me.

This is just an example of how proud I am to live in Troy and have such wonderful police officers serving our city.

Thank you so much Officer Dungien and thank you so much Troy Police for your constant efforts to keep our city safe.

Sincerely

Ann Strecker
