Subject: Items for tonight's agenda

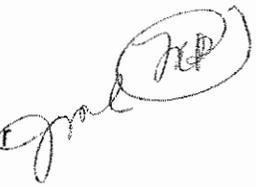

John,

C-2: While Article IV is changed to include indoor commercial recreation, the definitions of performance theaters and performance studios are not included for the listing of definitions in the zoning ordinance. I believe they should be, since there was confusion and "performance studios" is used in the allowable indoor recreational uses.

C-3: Date of the draft ZOTA is March 24, 2006 not 2005 as stated in the resolution.

Thanks,
Robin

SUBJECT: CORRECTION OF AGENDA ITEM C-3

The Proposed Resolution for Agenda Item C-3 incorrectly referenced the date of 3/24/05 for the City Council Public Hearing Draft Zoning Ordinance Text Amendment. The date should have referenced the date of **3/24/06**.

A copy of the corrected resolution is attached for your consideration.
