Subject: Agenda Item: Resolution Authorizing Request for Reimbursement: Oakland County West Nile Virus Fund

RECOMMENDATION

The Parks and Recreation Department recommends the City Council approve the request to seek reimbursement in the amount of \$30,057.91 from Oakland County's West Nile Virus Fund for expenditures incurred while instituting proactive public health measures to reduce the population of infected mosquitoes in the environment.

BACKGROUND

The County of Oakland has designated funds for the creation of a West Nile Virus Fund to be distributed to assist cities in reducing the population of infected mosquitoes in the environment.

The portion of the annual West Nile Virus Fund appropriation available upon proper application to each Oakland County City has been established by a formula based on total population (75%) and total square miles (25%). Based on this formula, the City of Troy is eligible for \$30,057.91.

The request for reimbursement of eligible expenses must be accompanied by a resolution adopted by the City's legislative board or council authorizing the reimbursement request.
