CITY OF TROY
CITY MANAGER'S OFFICE

Mayor Louise E. Schilling
City of Troy
500 West Big Beaver Road
Troy, MI 48084

Dear Mayor Schilling:

As you may be aware, 15 Oakland County businesses were recently honored by business and government as being among the "50 Companies to Watch in 2006." Two of those companies – American Systems Technology and McGraw Wentworth – are located in Troy.

Businesses such as these are vital in helping Oakland County maintain its position as an economic leader both nationally and internationally. I thought it was important for you to know that these local businesses are among the 60,000 small businesses that form the foundation of our county's strong economy.

The efforts and leadership of entrepreneurs such as these add so much to our economy and our quality of life. For your information, I sent letters to each of the honorees, congratulating them on their success.

Sincerely,

A handwritten signature in black ink, appearing to read "Brooks Patterson", with a long horizontal flourish extending to the right.
