Dear Chief Craft,

On June 8, 2006, two of our firearms instructors and myself attended a firearms training put on at your facility. I would like to express my appreciation to your department and especially Sgt. Mike Bjork for the great training, which was provided.

You have a very dedicated and knowledgeable staff of instructors. The information and hands on experience they shared with us provided a new prospective on firearms training that we will be using to improve our program in the future.

So once again, thank you for the outstanding program provided to us. If at any time there is anything that our office can do for you up here, please don't hesitate to give us a call.

Sincerely,

Lt. Dave Drossos
