Carol:

My grandchildren, ages 3 and 5 are visiting me from Florida this week – We attended the Family Festival last night at Boulan Park. I want to commend you and your staff. The event was very well run, the activities were so much fun and it was evident that everyone was having a great time. From the time we pulled into the park and were guided towards a parking space all of your employees were very professional and friendly.

It made me proud not only to be a resident of the City of Troy but also an employee as well.

Once again I wish to applaud you and your staff for the outstanding job you all did last night.
