So often we go through life talking about the bad things we run into, but this year we decided we would take a minute and write letters to events we do where we have had a positive experience. This is not our first year at Troy Daze. This event is number #1 of all the events we do. The volunteers have it all together, its like coming home. Everyone is helpful, friendly and a pleasure to work with. Cele was around each day 2 - 3 times to check and make sure everything was going OK. Even Ivan Arnold helped get trailers in place and offered to help if we needed to get a different angle to pull our trailer out at closing. Jeff the electrician was there with the power as soon as we pulled in on Wednesday, as he knows how important it is to get power, especially with 50 tubs of ice cream on board. Again, we want to thank all involved for a great event and look forward to 2007.

If you have any questions please feel free to call us at (248) 682-9726.

Thank you,
