**FROM:** Lori Grigg Bluhm, City Attorney *LRB*  
Susan M. Lancaster, Assistant City Attorney *sm2*  
**DATE:** February 26, 2014  
**SUBJECT:** Mon Jin Lau, Inc (d/b/a Mon Jin Lau)

---

During the 2013 liquor license hearings, City Council discussed violations that occurred at Mon Jin Lau, Inc., d/b/a Mon Jin Lau ("Mon Jin Lau"). These violations included overcrowding complaints and police runs to the restaurant for incidents involving highly intoxicated individuals. Recognizing that the Troy City Council had the authority to object to the otherwise automatic renewal of its liquor license, Mon Jin Lau agreed to enter into an Agreement with the City of Troy which was designed to minimize the risks of further violations of the liquor laws. Summarily, Mon Jin Lau agreed to the following terms:

1. Suspension of all special events request for a one (1) year period except for a two day Chinese New Year event.
2. No requests are to be made for outdoor service or use of a tent in the parking lot for a two (2) year period.
3. Entry into a one (1) year security agreement with a fully insured security agency licensed by the State of Michigan. The agreement with the security company would require sufficient personnel to address overcrowding and/or disorderly patrons, unlawful entry during business hours, crowd control, and congestion.
4. Modification of the valet parking procedure for congestion and crowding control.
5. Completion of a server training program for all wait staff and bartenders.
6. An automatic review of the Agreement at the 2014 liquor violation hearings.

It appears that the licensee has satisfied its obligations under the Agreement, which is attached. The Troy Police Department received proof of server training program completion with a letter dated June 6, 2013, which has been reviewed and accepted by the Troy Police Department. There have been no cited violations of any State of Michigan liquor laws or the Troy Code of Ordinances. On June 26, 2013, a Troy Police Department underage decoy unsuccessfully attempted to enter Mon Jin Lau, under the direction of Troy's Directed Patrol Unit ("DPU"). The decoy was denied entry without an ID. Additionally, the decoy also attempted to enter the licensed establishment through the patio/service area, but the decoy was stopped by security, who directed all patrons to the front door for entry. Upon entry into the licensed premises, Troy's DPU police officers noted that there was apparent compliance with the laws regarding overcrowding, and all patrons appeared to be at least 35 years old. The officers also found all exits and entrances monitored by staff, and a wait staff where everyone appeared to be over 40 years old. The officer also looked for patrons who appeared to be over-served, and did not find any. A copy of this incident report is attached.

On October 31, 2013, the Troy Police Department and Fire Department again sent representatives into Mon Jin Lau at approximately midnight to investigate an overcrowding complaint. Neither the Police Department nor the Fire Department issued any citations or observed overcrowding or any other violations at that time.

## AGREEMENT

The City of Troy and Troy Liquor Licensee Mon Jin Lau, by and through its authorized representatives, voluntarily enter into this Agreement on this 18<sup>th</sup> day of March, 2013.

### RECITALS:

1. Mon Jin Lau was cited with liquor license violations occurring on October 31, 2012 at its premises at 1515 E. Maple Road, in the City of Troy, Michigan.
2. Prior to these citations, Mon Jin Lau implemented measures that were designed to minimize the risk of overcrowding and security measures.
3. Under State Law and City Ordinance, when a liquor license violation is established by a preponderance of the evidence, then the Troy City Council has the ability to object to the otherwise automatic renewal of the liquor license, which would require the liquor license to be placed in escrow starting April 1, 2013.
4. In order to keep the Troy City Council from passing a resolution objecting to the automatic renewal of the liquor license, Mon Jin Lau has agreed to formalize the measures already taken, and implement additional proactive measures, all of which are designed to minimize the risk of future liquor license violations or other City ordinance violations.

**AGREEMENT:**

The parties, for the above referenced consideration, agree to the following terms and conditions, as part of an effort to address health and public safety concerns:

1. Mon Jin Lau will voluntarily suspend for one (1) year, beginning April 1, 2013, all "Special Event" requests. "Special Event" means any event that would require approval from the Michigan Liquor Control Commission ("MLCC") or City of Troy for a permit, such as an entertainment permit, a dance permit, additional outdoor service, or the like. Mon Jin Lau may, however, apply for a special event permit for a two day Chinese New Year event which will occur annually.
  - (a) If Mon Jin Lau elects to request permit(s) for the special event referred to as the Chinese New Year event, at least two weeks prior to the event, Mon Jin Lau shall provide to the Troy Fire Department a scale drawing of the restaurant which includes the lay out and placement of all tables, chairs, dance floor(s), bar areas, and any other item that utilizes floor space so the fire department may properly calculate occupant load. Such occupant load shall be posted in the restaurant.
  - (b) Mon Jin Lau shall not request outdoor service or the use of a tent in the parking lot associated with any special event, including the Chinese New year event, for a period of two (2) years from the date of this agreement.
2. On January 16, 2013, Mon Jin Lau entered into a one (1) year security agreement with RPS Protection, LLC of Waterford, Michigan ("RPS") which is a fully licensed and insured security agency in the State of Michigan. Mon Jin Lau agrees to maintain its agreement with RPS or a similarly licensed and insured

security provider for the duration of this agreement. Mon Jin Lau is ultimately responsible for all liquor or ordinance violations, however, Mon Jin Lau expects to rely on RPS to assist.

(a) On Shanghai Wednesdays, Mon Jin Lau will ensure RPS has sufficient and necessary security personnel on premises to address overcrowding and/or disorderly conduct issues with Mon Jin Lau patrons.

(b) Mon Jin Lau may also hire additional personnel for any exit doors to ensure no one is attempting to sneak into the Restaurant.

(c) Security personnel will carry flashlights, and they will concentrate their crowd control efforts in the known "bottleneck" or congested areas such as the entrance, hostess stand, bar areas, and lounge areas.

(d) Security will keep an accurate count of people entering and exiting Mon Jin Lau to ensure that the capacity is kept below the posted maximum. Should an area of the restaurant become congested, Security and Management will prevent people from entering until the congested area has been cleared.

3. Mon Jin Lau will modify its current valet parking procedures to alleviate vehicle and pedestrian congestion and traffic flow issues.

(a) Mon Jin Lau has a rental agreement with its neighbor, UAW Local 771, to use its adjacent parking lot during evening hours. A copy of the agreement is on file with the Troy Building Department.

(b) Valet parking will be mandatory on "Shanghai Wednesdays" and will be posted as such at the Stephenson Highway entrance. Mon Jin Lau and its Valet agree to work with the applicable City of Troy departments, including Planning, Engineering, Police, and Fire, on a revised Valet Plan.

(c) Valet personnel will coordinate with security personnel to ensure that the perimeter of the restaurant is not breached by patrons or people outside the restaurant as happened in October. The valet has been instructed to notify security if there is any security issue which arises near the valet or on the perimeter of the property. Valet will also advise security and management once the valet is full, so the parking lot can be closed. Once the traffic study is complete, Mon Jin Lau will meet with Planning or Engineering for any recommendations or revisions to the proposed plan.

#### 4. TIPS/TAM Training:

Mon Jin Lau staff, both wait staff and bartenders, will go through TIPS or TAM training. Additionally, Mon Jin Lau agrees to train both valet and security personnel to recognize intoxicated/impaired individuals, and where deemed appropriate, valet personnel will refuse to provide patron(s) with their vehicle keys. Mon Jin Lau wait and bar staff are also trained to notify security immediately should any security issues arise, and to alert security of crowd congestion in the restaurant during Shanghai Wednesday's.

5. Penalty:

- (a) Mon Jin Lau agrees to an automatic review of this agreement when the City conducts its annual liquor license review for 2014, regardless of whether there have been any alleged liquor violations.
- (b) Any violation of the terms set forth above may serve as a basis for the City to object to the renewal of the liquor license during the City's 2014 annual liquor license review.
- (c) Any future fire code violations may result in the issuance of misdemeanor ticket(s) to the appropriate individual or representative of Mon Jin Lau.
- (d) At the discretion of City of Troy police and fire personnel, the number of random, unannounced liquor license compliance checks and fire code compliance checks during business hours may be increased for a period of one (1) year.

RE: MLCC Complaint # 54592E  
Mon Jin Lau  
1515 E. Maple Road, Troy, Michigan

This is in response to the latest complaint by MLCC that was forwarded to DPU. Troy Police DPU conducted a check of Mon Jin Lau on 06/26/2013 at approximately 11:15pm. Officer Raczka along with our 19 year old decoy ( ), went to the establishment. While waiting in line outside, Officer Raczka was waived to the front along with ( ). On Shanghai Wednesday, women are waved to the front of the line along with their dates. At the door, a doorman wearing a black suit questioned both Officer Raczka and ( ) for ID's. ( ) identification was purposely confiscated by me prior to this operation.) Officer Raczka states that ( ) was immediately denied entry for not having his ID. Officer Raczka states the doorman thoroughly examined her ID and let her enter. ( ) was instructed to attempt entry through the patio/service area if denied at the front door, as stated in the initial complaint. ( ) went to this area and was stopped by another person wearing a black suit advising him there is no entry through the patio/service area and that ( ) would have to go to the front door. ( ) complied and reported back to the UC vehicle making contact with me via phone as instructed.

While inside Officer Raczka's observations:  
Establishment did not look overcrowded.  
All Patrons appeared to be of the age of 35 or older.  
All the wait staff appeared over 40 years of age.  
All the exits and entrances were covered by staff.  
No patron, at this time, appeared to be over-served.
