Mr. Carlisle reviewed the Preliminary Site Plan application for Walsh College. He addressed:

- The required variances relating to the proposed building setback and building height.
- A request for a parking deviation from the required number of parking spaces.

Mr. Carlisle noted the Planning Commission cannot take action on the application until the applicant receives the necessary variances from the Zoning Board of Appeals.

Mr. Carlisle reported the proposed site plan is consistent with the goals of the Zoning Ordinance. He said if the applicant is granted the necessary variances, he recommends that the Planning Commission give consideration to the parking deviation and asked the applicant to resubmit the Site Plan addressing the items indicated in his report dated January 29, 2014 for review and approval at the next Planning Commission meeting.

Stephanie Bergeron, President and Chief Executive Officer of Walsh College, and Christine McGrath of Valerio Dewalt Train Associates, project architect, were present.

Ms. McGrath gave a general description of the proposed design concepts.

The proposed preliminary site plan was well received by all of the Board members.
