Subject: Troy Police Academy and Ride Along - Officers Alter and Muhlenbeck

Chief Mayer,

I just wanted to drop a short note and express my pleasure with the Troy Police Academy Program. It is very informative, beneficial and bonding. I hope the program continues.

Also, I participated in a ride-along last night with Officers Tim Alter and Josh Muhlenbeck. Both officers couldn't have been more welcoming and accommodating. It as rewarding to experience first hand some aspects of a shift and both officers are very professional and represent Troy well. Another program that I hope continues. I look forward to trying another ride along in the future. Best wishes.

Thanks,
