## MAPERS ACHIEVEMENT PROGRAM

Dear John Lamerato

The Michigan Association of Public Employee Retirement Systems is pleased to advise that you have successfully completed the Advanced Fiduciary Examination which was held at the MAPERS 2006 Fall Conference. The Advanced Fiduciary Examination acknowledges that the member has a comprehensive understanding on a vast range of topics. In addition to your plan experience, your score of 92% demonstrates a higher knowledge regarding fiduciary responsibility, institutional investing, and benefits administration. Your achievement will be recognized at the MAPERS 2007 Spring Conference Business Meeting

We encourage you to continue in your pursuit of trustee education and as always we ask you to share with us any comments or questions you may have with regard to the MAPERS Achievement Program. Thank you.

Very truly yours,
