

CITY COUNCIL ACTION REPORT

January 29, 2007

TO: Mayor and City Council
FROM: Phillip L. Nelson, City Manager
SUBJECT: Scheduling a Workshop to Discuss Strategic Planning Initiatives

Background:

- On Friday, January 26, 2007 I submitted a report on proposed strategic planning initiatives. Council had expressed a desire to discuss these initiatives at a workshop on a Friday evening or Saturday morning.

Options:

- Below are some suggested dates for a workshop to discuss strategic planning initiatives:

Friday, February 16, 2007

Saturday, February 17, 2007

Friday, February 23, 2007

Saturday, February 24, 2007

If we decide on a Friday evening, I suggest that we get started at 5:30 with dinner and begin the business meeting at 6:00. If a Saturday works better, I suggest we start at 8:00 AM.
