Dear Chief Nelson,

Re: Troy Police Citizens Academy, Winter 2014.

My wife Shirley and I would like to thank your staff for their hospitality at the Fire Station #3 Academy tour on March 11<sup>th</sup>. Their presentations were outstanding; and it was enlightening for the academy to witness the dedication and knowledge your personnel hold toward their duties and objectives. Their display of passion toward their calling, and kindness and professionalism during the fire station tour made the experience most memorable in our long tenure as Troy citizens. Also, the gracious meal provided for us was very much appreciated.

We would like to express a special thank you to Firefighter Rob Bittner who provided a personal tour of Station #3 for our grandson, Alexander, on his third birthday (3/18.) Rob and our son Mark (Alexander's Dad) grew up together; and it was an added pleasure for us to witness Rob's kindness and love of children, and the pride he has in his job.

In closing, the Academy gave us the opportunity to learn about the day-to-day activities of both the Fire and Police Departments. We met men and women of great courage and commitment to their position and to the safety and well-being of all who live, work, eat, play and shop in Troy.

Thanks to you and Chief Mayer for providing us that opportunity.

Yours truly,

Philip and Shirley Grocki
