Mayor Louise E. Schilling, City Council Members and Mr. Phil Nelson,

On behalf of the entire congregation and the members of the Board of Deacons of St. Mark Coptic Orthodox Church, we would like to express our appreciation and gratitude for the continuous and outstanding support and understanding provided by the entire team of the Engineering, Planning, Building, and Fire Departments at the City of Troy. The tireless and continuous efforts provided by the City of Troy during the various construction stages of the church building, parking, and the driveway have led us to celebrate our Christmas prayers on January 7th in our new Church. Indeed, the members of our congregation, many of whom reside in Troy, were very pleased and appreciative of the City of Troy's support.

We look forward to our continued work with you as we complete the future phases of our church project.

Sincerely,

Fr. Mina Essak

Fr. Maximus Habib
