RE: Recommendations to fill Committee Vacancies

At the January 24, 2007 Troy Daze Festival Advisory Committee meeting, a motion was unanimously approved to recommend the following applicants in order of priority to fill the three vacancies on the Troy Daze Advisory Committee:

1. Dan O'Brien
2. Alison Miller
3. Jim Hattan

Dan O'Brien has been involved with the Troy Daze Festival for six years. He has served as co-chair of Ethnic Entertainment, Opening Ceremony and the Naturalization Ceremony. Dan has also participated by assisting with any tasks that need to be done.

Alison Miller has been involved for the past five years. She participated as co-chair of the teen band event, new car auto show and last year helped to organize the cutest infant/cutest toddler contest. She has also spent time with set-up, tear-down and especially signage.

Jim Hattan has been involved in the operations end of the Troy Daze Festival. He has helped with festival set-up, tear-down and everything in between for the past two years.

All their applications have been turned into the City Clerk's Office. We would greatly appreciate your support in the matter and appoint Dan O'Brien, Alison Miller and Jim Hattan to the Troy Daze Advisory Committee. Time is of the essence as we forge ahead to plan the 2007 Troy Daze Festival.

Thank you for your continued support.
