

CITY COUNCIL MEMO

Subject: Oakland County's Urban County Community Development Block Grant
Cooperation Agreement for Program Years 2015-2017

History

Oakland County Community and Home Improvement Division are requesting the City of Troy's continued participation in Oakland County's Urban County Community Development Block Grant program for program years 2015-2017. The U.S. Department of Housing and Urban Development requires Oakland to renew the Cooperation Agreement every three years. The City of Troy has been participating in Oakland County's Urban County CDBG Program since 1982. Oakland County handles the majority of the federal paperwork involved in administering the CDBG program. The reduction in administrative burden helps maximize the benefit of each dollar at the local level.

Funding

The City of Troy should receive approximately \$153,106 in CDBG funds through the "Urban County" program this year. During the past three years approximately \$441,835 has funded such programs as Section 36 Drainage Improvements, Section 36 Milverton Park Project, Public Services (Home Chore), and General Program Administration.

Recommendation

It is recommended that City Council approve the resolution for the City of Troy to continue its participation in Oakland County's Urban County Community Development Block Grant Program for program years 2015-2017, which shall be automatically renewed in successive three-year qualification periods of time, or until such time that it is in the best interest of the City of Troy to terminate the Cooperative Agreement.

Attachment: Cooperative Agreement

COOPERATIVE AGREEMENT
Oakland County "Urban County"
Community Development Block Grant Program

THIS AGREEMENT made and entered into this 1st day of July, 2014 by and between the (City of Troy), Michigan hereinafter referred to as the "Community", and the County of (Oakland), a Michigan Constitutional Corporation, State of Michigan, hereinafter referred to as the "County":

WHEREAS, the Housing and Community Development Act of 1974 as amended provides an entitlement of funds for Community Development purposes for urban counties; and

WHEREAS, Oakland County has been designated as an Urban County provided that it secures Cooperation Agreements with various communities in Oakland County; and

WHEREAS, this agreement covers both the Community Development Block Grant Entitlement Program and, where applicable, the HOME Investment Partnership program; and

NOW THEREFORE, the Community and County do hereby promise and agree:

THAT the Community may not apply for grants from appropriations under Small Cities or State CDBG programs for fiscal years during the period in which it is participating in the urban county's CDBG program; and

THAT the Community may not participate in a HOME consortium except through the urban county, regardless of whether the urban county receives a HOME formula allocation; and

THAT the County shall have final responsibility for selecting Community Development Block Grant (and HOME, where applicable) activities and annually filing a Consolidated Plan with HUD; and

THAT the County will, on behalf of the Community, execute essential Community Development and Housing Assistance applications, plans, programs and projects eligible under the Housing and Development Act of 1974 as amended; and

THAT the Community and the County will cooperate to undertake, or assist in undertaking, community renewal and lower income housing assistance activities, specifically urban renewal and publicly assisted housing; and

THAT the Community and the County will take all actions necessary to assure compliance with the County's certification required by Section ~104(b) of Title I of the Housing and Community Development Act of 1974, as amended, including Title VI of the Civil Rights Act of 1964, the Fair Housing Act, Section 109 of Title I of the Housing and Community Development Act of 1974, which incorporates Section 504 of the Rehabilitation Act of 1973 and the Age Discrimination Act of 1975, and other applicable laws; that the County is prohibited from funding activities in or in support of any cooperating unit of general local government that does not affirmatively further fair housing within its own jurisdiction, or that impedes the County's actions to comply with the county's fair housing certification; and that funding by the County is contingent upon the Community's compliance with the above; and

THAT the Community has adopted and is enforcing a policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and a policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstration within its jurisdiction; and

THAT a unit of general local government may not sell, trade, or otherwise transfer all or any portion of such funds to a metropolitan city, urban county, unit of general local government, or Indian tribe, or insular area that directly or indirectly receives CDBG funds in exchange for any other funds, credits or non-Federal considerations, but must use such funds for activities eligible under Title I of the Housing and Community Development Act of 1974, as amended; and

THAT the qualification period of this agreement as defined in the HUD regulations and guidelines shall be Federal Fiscal Years 2015/2016/2017, and such additional period of time for the purpose of carrying out activities funded by Community Development Block Grants from Federal Fiscals years 2015/2016/2017, appropriations and from any program income generated from the expenditure of such funds; further that the period of time of this Agreement shall be automatically renewed in successive three-year qualification periods, unless the County or the Community provides written notice it elects not to participate in a new qualification period. A copy of this notice must be sent to the HUD State Office by the date specified in HUD's urban county qualification notice for the next qualification period; further the County will notify the Community in writing of its right to make such election by the date specified in HUD's urban county qualification notice; and

THAT the Community resolves to remain in Oakland County's Urban County programs for an indefinite period of time or until such time it is in the best interest of this Community to terminate the Cooperation Agreement and such additional period of time for the purpose of carrying out activities funded by Community Development Block Grants and from any program income generated from the expenditure of such funds. Furthermore, that the period of time of this Agreement shall be automatically renewed in successive three-year qualification periods, unless the County or the Community provides written notice it elects not to participate in a new qualification period. A copy of this notice must be sent to the HUD State Office by the date specified in HUD's Urban County Qualification Notice for the next qualification period; further the County will notify the Community in writing of its right to make such election by the date specified in HUD's Urban County Qualification Notice; and

THAT failure by either party to adopt an amendment to this Agreement incorporating all changes necessary to meet the requirements for cooperation agreements set forth in the Urban County Qualification Notice applicable for a subsequent three year urban county qualification period, and to submit the amendment to HUD as provided in the Urban County Qualification Notice applicable for a subsequent three-year urban county qualification period, and to submit the amendment to HUD as provided in the Urban County Qualification Notice, will void the automatic renewal of such qualification period; and

THAT this Agreement remains in effect until the CDBG (and HOME where applicable) funds and income received with respect to activities carried out during the three year qualification period (and any successive qualification periods under this automatic renewal provision) are expended and the funded activities completed, and that the County and Community may not terminate or withdraw from this agreement while this agreement remains in effect; and

THAT the Community shall inform the County of any income generated by the expenditure of CDBG funds received by the Community; and

THAT any such program income generated by the Community must be paid to the County, unless at the County's discretion, the Community may retain the program income as set forth in 24 CPR 570.503; and

THAT any program income the Community is authorized by the County to retain may only be used for eligible activities approved by the County in accordance with all CDBG requirements as may then apply; and

THAT the County has the responsibility for monitoring and reporting to HUD on the use of any such program income, thereby requiring appropriate record keeping and reporting by the Community as may be needed for this purpose; and

THAT in the event of close-out or change in status of the Community, any program income that is on hand or received subsequent to the close-out or change in status shall be paid to the County; and

THAT the Community shall provide timely notification to the County of any modification or change in the use of the real property from that planned at the time of acquisition or improvement including disposition; and

THAT the Community shall reimburse the County in the amount equal to the current fair market value (less any portion of the value attributable to expenditures of non-CDBG funds) of real property acquired or improved with Community Development Block Grant funds that is sold or transferred for the use which does not qualify under the CDBG regulations; and

THAT the Community shall return to the County program income generated from the disposition or transfer of real property prior to or subsequent to the close-out, change of status or termination of the cooperation agreement between the County and the Community; and

THAT the terms and provisions of this Agreement are fully authorized under State and local law, and that the Agreement provides full legal authority for the County to undertake or assist in undertaking essential community development and housing assistance activities, specifically urban renewal and publicly assisted housing; and

THAT pursuant to 24 CFR ~570.501(b), the Community is subject to the same requirements applicable to subrecipients, including the requirement for a written agreement set forth in 24 CFR 570.503.

IN WITNESS WHEREOF, the Community and the County have by resolutions authorized this agreement to be executed by their respective officer's thereunto as of the day and year first above written.
