SUBJECT: Request for Annual Personnel Review

Traditionally, my annual review has been completed in time for any necessary adjustments to my departmental budget. Since the budget deadlines are fast approaching, I am requesting that Council set the date and time for my annual personnel evaluation. My last review was completed in February 2006, and my salary increase was retroactive to January 1, 2006.

Please let me know when it is convenient to schedule my requested closed session evaluation.
