Ms Bartholomew,

I am writing to inform you of the excellent service provided by **Barb Pallotta** and **M. Aileen Bittner** in our recent Passport Fair held on March 11, 2007 at St Patrick Church in White Lake.

My Boy Scout troop conducted this fair as a community service to our area due to the recent changes in the law requiring passports.

Barb & Aileen answered our call for help, and through their tireless and dedicated service, helped make our event extremely successful. I have received numerous comments and praises from the folks who attended on the professional and extreme friendly service of these women.

In a little over three hours, we were able to process 105 NEW passport applications, two renewal applications, and take 106 photos. I believe this was a truly remarkable task.

I have enclosed Certificates of Appreciation, that I wish you could present to Barb & Aileen on behalf of the scouts and adult leaders of Troop 326, with my heartfelt thanks for their time.

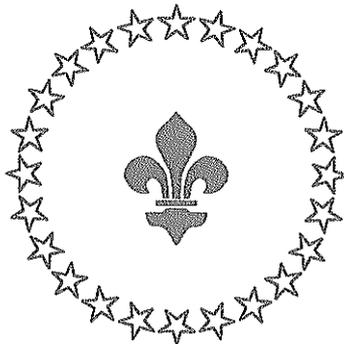

Yours in Scouting,
