Subject: Citizen Call

Charlie ~

I received a telephone call this afternoon from a 38 year resident of the City - Mr. Jim Forrer.

While at lunch today with a couple of associates, Mr. Forrer had the opportunity to speak with Mike Lyczkowski at a local restaurant and wanted the City to know how very proud he was of the Police Department and how wonderfully Mike represents your Department. He was most impressed by Mike's very friendly and outgoing demeanor to the citizens.

I offered to transfer Mr. Forrer to you or Terry, but he wanted to just leave the message with us. I assured him that I would pass it along.
