CITY COUNCIL ACTION REPORT

May 10, 2007

TO: Phillip L. Nelson, City Manager

FROM: Brian P. Murphy, Assistant City Manager/Economic Development Services

SUBJECT: Reconsideration of Approval of the Sale of City-owned Surplus Remnant Parcel to RPS Troy, LLC, Fronting on Big Beaver between Troy and Louis Streets, Section 22, Sidwell #88-20-22-356-031

Background

- On March 5, 2007 City Council approved the sale of this remnant parcel with the condition of RPS Troy, LLC purchasing the Four Oaks Management parcel.
- A schematic site plan excluding the parcel owned by Four Oaks Management is attached.
- City Management facilitated meetings between RPS Troy, LLC, and Four Oaks Management, and it appears that the parties cannot agree upon a sale price of the abutting property.
- RPS Troy, LLC has purchased two parcels on the north side abutting the City-owned parcel. City Council rezoned the two parcels to O-1. In addition, City Council vacated the 180-foot wide alley, allowing all parcels to be combined into one O-1 parcel for the purpose of constructing a medical office building.
- RPS Troy, LLC requested that the condition be removed from the approval of the sale of the City-owned surplus remnant parcel, Sidwell #88-20-22-356-031.
- A resolution to reconsider the March 5, 2007 resolution appeared on the April 2, 2007 City Council meeting agenda. City Council took no action on the April 2 resolution and instead directed staff to return the item for reconsideration on April 16, 2007.
- The resolution to reconsider was brought back to Council on the April 16, 2007 agenda; Council again took no action, as it appeared the two parties were negotiating a solution.

- On May 7, 2007 the attorney for RPS Troy, LLC sent an email indicating that her client was unable to reach an agreement with Four Oaks Management, and therefore renewed the request from RPS Troy, LLC for City Council to reconsider the resolution approving the sale of the remnant parcel by removing the condition.

Financial Considerations

- Appraised value of the remnant parcel is $15,000.00, and the offer is $15,000.00.

Legal Considerations

- There are no legal considerations associated with this agenda item.

Policy Considerations

- This item is consistent with City Council Goal III, "Retain and attract investment while encouraging redevelopment".

Options

- It is recommended that City Council reconsider the March 5, 2007 resolution approving the sale of the City-owned surplus remnant parcel with the condition of RPS Troy, LLC purchasing Four Oaks Management's parcel.

Dear Mr. Murphy,

As you know, I represent RPS Troy, LLC with respect to its efforts to purchase the above-referenced parcel from the City of Troy. It is my understanding that the City Council delayed signing the purchase agreement in hopes of my client coming to terms with Four Oaks Management for the purchase of its adjacent parcel.

An agreement was finally reached with Four Oaks (Seller) as to the price. Seller requested changes in some of the terms of the proposed purchase agreement. Changes were made to everyone's apparent satisfaction, per Seller's e-mail of May 2, 2007. I e-mailed Seller in the morning on May 4 advising that I must receive a signed copy of the purchase agreement by fax by 2:00 pm that day and the original to follow by mail. If same was not received, the offer would be withdrawn.

I have not received the purchase agreement or any communication from Four Oaks. As a result, there is no agreement for the purchase of the Four Oaks' parcel. My client needs to move forward with this project and cannot afford to have the process delayed any longer by Four Oaks

We respectfully request that the City Council approve the sale of its remnant parcel to RPS Troy, LLC without it being conditioned on the purchase of the Four Oaks' parcel. Please have this matter placed on the agenda for the meeting on May 14, 2007.

If you need any further information, please contact me. Kindly confirm that this issue will be on the May 14th agenda.

Thank you for your assistance.

Dear Mr. Murphy:

First, we would like to thank you and the committee for your time and attention. We are still interested in bringing new business to the City of Troy. We are requesting to move forward with our proposed plans. We submitted site plans allowing either a 10,000 SF building utilizing the complete set of properties (No.'s 88-20-22-356-008/011/014/031) or a 9,900 SF building utilizing all properties with the exception of 20-22-356-014.

Negotiations started in early October, 2006 with the Casadei family. There have been many competitive and overly fair offers on the table. None of them have been acceptable as the Casadei family and Four Oaks Management expects an inflated amount of money for their remnant parcel # 88-20-22-356-014. The inflated price is not acceptable for the value of the property.

It is not in our best interest to further negotiate as the delays caused by the Casadei family have cost us valuable time and money. Not to mention the higher land tax we will be accessed now that the property zoning has changed from residential to commercial.

Our offices in Macomb County continue to thrive. We have a generous offer to remain where we are. After 13 plus years we are looking for a change but have become discouraged with politics deciding our future path. It is our intention to move forward immediately with either a remodel in Macomb County or a new build in Oakland County. We are requesting a resolution to the purchase of Sidwell # 88-20-22-356-031 at the meeting on Monday, March 26, 2007.

Thank you again for your time and consideration.

Sincerely,

RPS, Troy, LLC
