Dear Charles:

Congratulations to the Troy Police Department's Pistol Team on earning First Place at the Michigan Police Shoot.

I was reading the Daily Tribune and saw that the Pistol Team had earned this distinction and I wanted to congratulate them. The Pistol Team's talents have been recognized and they are a credit to the City of Troy. The Troy Police Department has an outstanding reputation of professionalism and safeguarding the Troy community. As a retired Colonel in the United States Army, I understand the commitment and sacrifice that is made by the brave men and women who serve on the Troy Police Department. I commend you all for your service and earning these top honors.

Once more, congratulations and best wishes to the Troy Police Department's continued success.

Sincerely,

John
