Re: Basic Detective School, March 26 – 30, 2007

Once again, we really appreciate and thank you for taking time out of your busy schedule to participating in our **Basic Detective/Investigator program**. The session you taught was conducted in both a professional and business like manner.

A review of the class critiques found no negative comments to relay to you, but did indicate that your expertise was received as a positive contribution to law enforcement training.

Both Bruce and I would like to take this opportunity to tell you how proud we are to have you associated with our detective program. Again, thank you for your participation.
