Chief Charles Craft  
Troy Police Dept.  
Big Beaver Rd.  
Troy, MI

Dear Sir:

As a retired police officer, I would like to commend your department on their handling of the incident on Monday 04/09/07. I only observed it from the New's , but was very impressed on what I seen. And due to your department getting the information out as fast as it did, the perp. was taken into custody without incident. Thats a BIG AT-A-BOY, for all people involved, from the dispatchers to patrol, everyone apparently knows their job, and well.

I've only lived in the area for little over a year, and I feel that officer's have a lot to contend with and do it well!

Again, Job Well Done

Respectfully  
Bonnie Woodworth
