Chief Craft,

I just wanted to take a moment to let you know about Officer Nicolette Kaptor's outstanding efforts as a member of your community service team. At my request, Officer Kaptor spoke about bike and home safety with a group of Cub Scouts at Wass Elementary last week. She not only kept the boy's attention--not an easy thing to do with 8-year-old boys--but helped lay a foundation that will hopefully help keep them safe for years to come. She was very approachable and helpful and even tailored her pitch to meet th Cub Scout requirements.

Anyway, it was a great experience and I wanted to share it with you.

Regards,
