Chief Craft,

I wanted to email you and commend the work of Officer Peter Dungjen. On Friday, April 27, Ofc. Dungjen responded to 1897 Smallbrook in order to assist EMS responding to a diabetic emergency. My mother-in-law's blood sugar level fell to a dangerously low level and the city's emergency services needed to be utilized. Ofc. Dungjen maintained a calmness amidst an anxious situation, was friendly and very personable, and even made us all laugh with his pleasant sense of humor. He remained on scene throughout the entire incident and never appeared rushed even though I am sure he had more important business to conduct. Ofc. Dungjen, in the finest traditions of the Troy Police Department, was more than willing to render assistance and exemplified what a police officer can and should be. My most sincere thanks to your department and Ofc. Dungjen for your service in our time of need.

Sincerely,  
Dave Papandrea
