Dear Mr. Nelson,

On behalf of the Troy Historical Society, we would like to express our appreciation for your support of our Barnard Benefit at the Kona Grill. All proceeds from the benefit will go to the Society's Heritage Campaign project for moving Troy's Historic Niles-Barnard House to the Troy Museum & Historic Village.

The event itself raised \$5,750 for the project, and the Society has since received new contributions of over \$30,000 in response to a \$100,000 challenge grant offered by an anonymous member of the Historical Society, and announced at the benefit.

We especially want to thank Cindy Stewart, Director of Community Affairs, and Loraine Campbell, Troy Museum Manager, for their assistance in organizing and publicizing the event. Their efforts were major factors in the success of the evening.

We look forward to the continued partnership between the City of Troy and the Troy Historical Society as we implement the five projects of the Heritage Campaign for the benefit of the Troy Museum & Historic Village.

Sincerely,

Cheryl Barnard
