The Michigan Public Service Commission (Commission) will hold a public hearing to consider the April 13, 2007 application of Detroit Edison to increase its annual base electric revenues by a total of approximately \$123 million above base rate levels in 2008 and thereafter (2.86% overall) and eliminate the credit surcharge approved by the Commission in Case No. U-14842. Detroit Edison also requests, among other things, to establish a permanent Choice Incentive Mechanism (CIM), establish uniform distribution rates for commercial and industrial Detroit Edison full service and Electric Choice customers, establish an emission allowance purchase strategy, establish a methodology for recovery of the costs associated with preparation of a Combined Operating License Application (COLA) for a new nuclear

generation facility, terminate its Pension Equalization Mechanism (PEM), expand its current demand response programs, obtain miscellaneous accounting authority, and continue to recover regulatory assets. Accounting authority obtained by the Company may be continued or implemented in 2008 and continue thereafter.

All documents filed in this case shall be submitted electronically through the Commission's E-Dockets Website at: [michigan.gov/mpscedockets](http://michigan.gov/mpscedockets). Requirements and instructions for filing can be found in the User Manual on the E-Dockets help page.
