A Special Thank You

Acts of kindness
warm the heart,
soothe the soul,
and make the world
turn more gently.

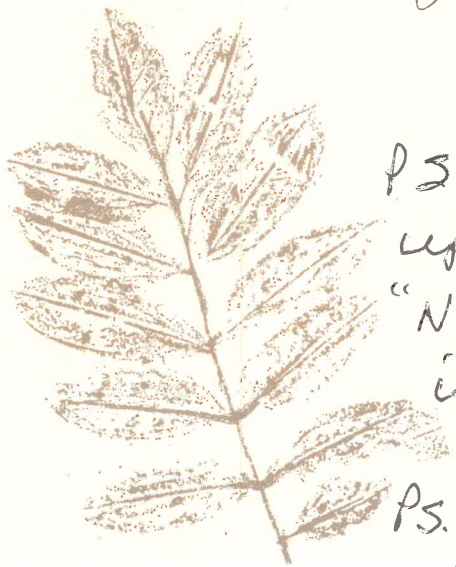
Antonio;

It's nice to know
that there are still people
who take such pleasure
in doing special things
and making others feel good...

Thank You.
You're really someone special.

Love Cindy

P.S. Thanks for putting
up with me, the
"NO" ditch anymore
is wonderful.



P.S. Hi Scott
