

CITY COUNCIL ACTION REPORT

June 27, 2007

TO: Phil Nelson, City Manager

FROM: John M. Lamarato, Assistant City Manager/Finance & Administration
Carol Anderson, Parks and Recreation Director

SUBJECT: Agenda Item: Medi-Go Service Agreement

Background:

- Attached please find the annual agreement with Troy Medi-Go for 2007-2008. This agreement states that the City will fund Medi-Go \$180,000.00 or entire municipal and community credits transferred from SMART (whichever is more).
- The 07-08 budget includes estimated Troy Medi-Go funding. However, the entire amount of community credits received from SMART are transferred to Med-Go. This year, that amount is expected to be approximately \$180,000.
- Municipal credits are state-authorized funds that are given directly to the Suburban Mobility Authority for Regional Transportation (SMART) to be divided among every city, township and village in Oakland, Wayne and Macomb Counties on a per capita basis. Community credits are a direct result of the SMART millage that provides opt-in communities with additional funds. Troy's municipal and community credit dollars have been used to support the community based Troy Medi-Go Plus service. Medi-Go Plus provided over 12,000 rides to over 600 unique senior and disabled riders in 2006.

Financial Considerations:

- There is neither expense nor financial implications to the City for this program.

Legal Considerations:

- There is no change to format and content of previous agreements with Medi-Go.

Policy Considerations:

- These funds must be used for local public transportation. Medi-Go provides door-to-door service and wheelchair accessible vehicles. For these reasons, Medi-Go is well suited for our frail elderly and disabled population. (Goal #1)

Options:

It is recommended that the City Council approve the agreement with Troy Medi-Go Plus authorizing municipal and community credits funding be transferred to Medi-Go.
