Dear Chief Craft,

I hope and pray this letter finds you well!

This past weekend, we celebrated our 14th annual OPA Greek Festival on the grounds of our St. Nicholas Church. With the blessings of our Lord and the hard work and cooperation of everyone, it was our most successful festival ever.

I want to thank your department for all your direction and cooperation both before and during our OPA Fest. Particularly, I would like to thank your officers Bob Kowalski and Peter Dungen and all the staff who assisted in everyone having an enjoyable and safe weekend at our festival.

Again, thank you!

In Christ,

Father Stratton Dorozenski
