Subject: Standard Purchasing Resolution 4: Cooperative Contract Award – US Communities - Traffic Control Devices

History

- The Streets and Drains Division is responsible for the control of traffic including road closures for major events.
- The last major purchase of traffic control devices was in 1999 for Y2K.
- Since 1999 the Manual for Uniform Traffic Control Devices (MUTCD) has changed the retro-reflectivity requirements for traffic control devices.
- The new traffic control devices will be stored in a large enclosed trailer enabling the Streets Division to respond to a major event quickly.
- Recommended purchase includes 48” and 28” reflective cones with cart, Type II and III barricades with bases and sign holders, construction signs and lane and road closure signs with stands.

Purchasing

- TAPCO of Brown Deer, WI is the awarded low bidder from the U.S. Communities - NIGP Cooperative Contract #2013-100.
- Barron County, WI was the lead agency on this cooperative agreement.
- The US Communities NIGP Contract expires 2/28/2017.

Financial

Funds for the purchase of the equipment are budgeted and available in the following capital account:

Account #	Account Name	Current Available Funds
