Subject: **Agenda Item** – Library Meeting Room and Friends of the Library
Used Book Store

It is the recommendation of staff that upon the substantial completion of the HVAC project in the original part of the Library, the Library meeting room will again be available for library programs and public meetings, and that the Friends of the Library Used Bookshop will return its operation to their original location in the Library lower level.

On September 15, 2005 at the regular meeting of the Library Advisory Board, the Board unanimously passed the resolution "That the Library Meeting Room be used for Library Programs and meetings, and that the Friends of the Library Used Bookshop return to their space in the Library lower level." The draft minutes of the meeting are attached.

On September 20, 2005 at the regular meeting of the Board of the Friends of the Troy Public Library, the Board unanimously passed the resolution "With regard to the location of the Bookshop, the Friends Board resolves that they are open to any options which are in the best interests of the Troy Public Library. The Bookshop will move downstairs when requested." The minutes of the meeting will be provided when they are available.

A Regular Meeting of the Troy Library Board was held on Thursday September 15, 2005 at the Office of the Library Director. Brian Griffen, Chairman, called the meeting to order at 7:35 P.M.

REPORTS & COMMUNICATIONS

Director's Report.

The Library will be participating this spring in the "One Book One Community" program with libraries throughout Oakland and Macomb counties. The book that was chosen is "Shadow Divers" by Robert T. Kurson. The Library Café is likely to be sold to a local resident, Alan Francis. The contract is currently being discussed. The Library is one of ten Michigan public libraries that is offering a new service to the public – the ability to download audiobooks to their home computer or transfer them to a portable device like a PDA, Smartphone, portable audio device or burned to a standard CD. The City is embarking on an update of the Troy Futures report and the public will be invited to a general information session in October or November.

Board Member comments.

Wheeler said that there had been a problem with the notification process for a memorial given by the Primrose Garden Club. This will be investigated as to what broke down in our procedure.

Student Representative's Comments.

Chen asked about the progress of the WiFi installation. Hopefully in October this will be installed so that patrons can connect to the Internet with their laptops throughout the Library. Chen asked where the best places in the Library would be for a group of students to study together. The conference room, meeting room, Youth Services, the café, or the East side of the Adult Services department.
