SUBJECT: Final Reporting - BidNet On-Line Auction – Computers, Stacking Chairs, File Cabinets, and Card Tables - July 2007

Background

- Resolution #2004-02-075 established the auction fee of 5% and provided approval to use Bidcorp, a partner of BidNet, with the provision that other on-line auction service options would be considered. BidNet moved forward and implemented the on-line surplus auction service for the MITN System (Michigan Inter-governmental Trade Network), which can be accessed through the City of Troy home web page. MITN is Purchasing's official e-procurement website used for posting bids, tabulations, quotations, and award information. It was a Purchasing goal that one e-procurement site would be operational for all functions.

Financial Considerations

- In compliance with Resolution #2004-02-075, final reporting is being presented for 31 computer units, 2 sets of stacking chairs, 6 file Cabinets, and 2 card tables, which were auctioned on-line through BidNet on June 22, 2007 and closed on July 27, 2007.
