

A regular meeting of the Troy Traffic Committee was held Wednesday, April 19, 2006 in the Lower Level Conference Room at Troy City Hall. Jan Hubbell called the meeting to order at 7:30 p.m.

**1. Roll Call**

PRESENT: Sara Binkowski  
John Diefenbaker  
Jan Hubbell  
Gordon Schepke

ABSENT: Ted Halsey  
Richard Kilmer  
Pete Ziegenfelder  
Jonathan Shin, Student Representative  
Katherine Tan, Student Representative

Also present: John Abraham, Traffic Engineer  
Lt. Scott McWilliams, Traffic Safety Division, Troy Police Department  
Lt. Janusz Bora, Fire Department

and Chris Vance, 3436 Ellenboro  
Wesley VanHouten, 3850 Adams  
Robert James, 3224 Adams  
Tim Wagner, 46869 Garfield

**Resolution to Excuse Absent Members****RESOLUTION #2006-04-36**

Moved by Diefenbaker  
Seconded by Schepke

To excuse Mr. Halsey, Mr. Kilmer and Mr. Ziegenfelder.

YES: All-4  
NO: None  
ABSENT: 3 (Halsey, Kilmer, Ziegenfelder)

MOTION CARRIED

**2. Minutes – March 15, 2006****RESOLUTION #2006-04-37**

Moved by Schepke  
Seconded by Diefenbaker

To approve the March 15, 2006 minutes as printed.

YES: All-4  
NO: None  
ABSENT: 3 (Halsey, Kilmer, Ziegenfelder)

MOTION CARRIED

### **PUBLIC HEARINGS**

#### **3. Request for Sidewalk Waiver – 2977 Lenox**

Irene Sadikoff is requesting a waiver for the sidewalk at 2977 Lenox. The sidewalk ordinance requires that sidewalk be installed in conjunction with the development of this parcel due to a recent lot split, combined and replatted. The Public Works Department recommends denial of this waiver request. Petitioner has signed an “Agreement for Irrevocable Petition for Sidewalks.”

Petitioner states that there are no other sidewalks in the area, the sidewalk would lead nowhere and connect to nothing.

Several committee members inspected the site in question and agreed that a sidewalk at this address would be useless, as there are none in the neighborhood.

#### **RESOLUTION #2006-04-38**

Moved by Diefenbaker

Seconded by Schepke

1. WHEREAS, City of Troy Ordinances, Chapter 34, Section 8(D) allows the Traffic Committee to grant temporary waivers of the City of Troy Design Standards for Sidewalks upon a demonstration of necessity; and

WHEREAS, Irene Sadikoff has requested a temporary waiver of the requirement to construct a sidewalk on the property because there are no other sidewalks in the area, the sidewalk would lead nowhere and connect to nothing; and

WHEREAS, the Traffic Committee has determined the following:

- a. A variance will not impair the public health, safety or general welfare of the inhabitants of the City and will not unreasonably diminish or impair established property values within the surrounding area, and
- b. A strict application of the requirements to construct a sidewalk would result in practical difficulties to, or undue hardship upon, the owners, and
- c. The construction of a new sidewalk on the property line would lead

nowhere and connect to no other walk, and thus will not serve the purpose of a pedestrian travel-way.

NOW THEREFORE, BE IT RESOLVED that the Traffic Committee grants a two-year waiver of the sidewalk requirement for the property at 2977 Lenox, which is owned by Irene Sadikoff.

YES: All-4  
 NO: None  
 ABSENT: 3 (Halsey, Kilmer, Ziegenfelder)

MOTION CARRIED

**4. Request for Sidewalk Waiver at 3150 Adams Road**

Wesley VanHouten of North Hills Christian Church, 3150 Adams Road, is requesting a waiver for the sidewalk at 3150 Adams Road. The sidewalk ordinance requires that sidewalk be installed in conjunction with a building addition. The Public Works Department recommends denial of this waiver request. Petitioner has signed an "Agreement for Irrevocable Petition for Sidewalks."

Petitioner states that there are no other sidewalks in the area, the sidewalk would lead nowhere and connect to nothing.

Robert James, 3224 Adams, spoke in favor of granting the waiver.

Mr. Schepke expressed concern about children walking to school. Lt. McWilliams said there is a signal and a crossing guard at the school. Mr. Schepke believes that there should eventually be a sidewalk along the east side of Adams, but sees no immediate need, since there are no other sidewalks from Wendover to Big Beaver.

**RESOLUTION #2006-04-39**

Moved by Diefenbaker

Seconded by Schepke

1. WHEREAS, City of Troy Ordinances, Chapter 34, Section 8(D) allows the Traffic Committee to grant temporary waivers of the City of Troy Design Standards for Sidewalks upon a demonstration of necessity; and

WHEREAS, Northfield Hills Christian Church has requested a temporary waiver of the requirement to construct a sidewalk on the property because there are no other sidewalks in the area, the sidewalk would lead nowhere and connect to nothing; and

WHEREAS, the Traffic Committee has determined the following:

- a. A variance will not impair the public health, safety or general welfare of the inhabitants of the City and will not unreasonably diminish or impair established property values within the surrounding area, and
- b. A strict application of the requirements to construct a sidewalk would result in practical difficulties to, or undue hardship upon, the owners, and
- c. The construction of a new sidewalk on the property line would lead nowhere and connect to no other walk, and thus will not serve the purpose of a pedestrian travel-way.

NOW THEREFORE, BE IT RESOLVED that the Traffic Committee grants a two-year waiver of the sidewalk requirement for the property at 3150 Adams Road, which is owned by Northfield Hills Christian Church.

YES: All-4  
NO: None  
ABSENT: 3 (Halsey, Kilmer, Ziegenfelder)

MOTION CARRIED

### **REGULAR BUSINESS**

5. **Request for Reconsideration of Sidewalk Waiver – 1126 Chopin**

Chris Vance requested a waiver for the sidewalk at 1126 Chopin and the request was placed on the March 15, 2006 Traffic Committee agenda. When Mr. Vance failed to attend the March meeting, the request for a waiver was denied. Mr. Vance did not realize he had to be present at the meeting and requests that the Traffic Committee reconsider the issue at the next meeting. See attached letter.

**RESOLUTION #2006-04-40**

Moved by Schepke  
Seconded by Binkowski

To reconsider Chris Vance's request for a sidewalk waiver at 1126 Chopin at the next Traffic Committee meeting

YES: All-4  
NO: None  
ABSENT: 3 (Halsey, Kilmer, Ziegenfelder)

MOTION CARRIED

6. **Request for Reconsideration of Sidewalk Waiver – 1132 Chopin**

Chris Vance requested a waiver for the sidewalk at 1132 Chopin and the request was

placed on the March 15, 2006 Traffic Committee agenda. When Mr. Vance failed to attend the March meeting, the request for a waiver was denied. Mr. Vance did not realize he had to be present at the meeting and requests that the Traffic Committee reconsider the issue at the next meeting. See attached letter.

RESOLUTION #2006-04-41

Seconded by

To reconsider Chris Vance's request for a sidewalk waiver at 1132 Chopin at the next Traffic Committee meeting

YES: All-4

NO: None

ABSENT: 3 (Halsey, Kilmer, Ziegenfelder)

MOTION CARRIED

**7. Install YIELD or STOP Sign on Ivanhoe at Sweet**

Sharyn Dennis, 2338 Sweet Drive, is requesting traffic control signs in the area of Sweet Drive and Ivanhoe Drive. She believes this is a dangerous intersection, since Ivanhoe connects her neighborhood with an older neighborhood, and allows for through traffic to John R via Ivanhoe and Highbury. She also reports constant high-speed traffic through the neighborhood.

A traffic crash analysis shows that there have been no reported crashes near Sweet and Ivanhoe in the past five years, which indicates that the intersection is relatively safe. Field observations show an evergreen tree in the northeast corner of the intersection. Our Parks & Recreation Department is looking into whether the tree is in the 25-foot clear zone triangle.

Speed/traffic volume studies were done on April 3<sup>rd</sup>-5<sup>th</sup>, and the results indicate around 500 vehicles on Sweet Drive, 700 on Ivanhoe, and around 560 on Cloister per day. Residential area traffic volumes range between 300 and 5000 per day, and the traffic volume in this area is in the lower end of the residential area volumes.

For a STOP sign to be installed, one of the following conditions should be satisfied as per the Michigan Manual of Uniform Traffic Control Devices.

- a. Intersection of a less important road with a main road, where application of a normal right of way rule is disruptive to capacity on the main road.
- b. Street entering a through highway or street.
- c. Unsignalized intersection in a signalized area.

- d. Other intersections with a combination of high speed, restricted view, and serious accident record.

The other end of Ivanhoe that intersects Highbury Drive is controlled by a STOP sign. Highbury carries around 1700 vehicles in a day.

No one attended the meeting to address this issue.

Unwarranted traffic control signs normally result in high violations rates and also promote general loss of credibility of all traffic control signs. Based on the MMUTCD standards and the low traffic volumes and the absence of crash history, the committee does not consider any traffic signage necessary.

**RESOLUTION #2006-04-42**

Moved by Diefenbaker

Seconded by Binkowski

Recommend no changes at Ivanhoe and Sweet.

YES: All-4

NO: None

ABSENT: 3 (Halsey, Kilmer, Ziegenfelder)

MOTION CARRIED

**8. Establish Fire Lanes at 5365-5407 Crooks Road**

Section 8.28, Chapter 106, Troy City Code, provides for the establishment of fire lanes on private property. The Fire Department recommends that the fire lanes shown on the attached sketch be provided to allow proper deployment of and travel by emergency vehicles (fire, police, medical).

**RESOLUTION #2006-04-43**

Motion by Diefenbaker

Seconded by Binkowski

- a. Recommend that the fire lanes/tow away zones shown in the attached sketch be established at 5365-5407 Crooks Road.

YES: All-4

NO: None

ABSENT: 3 (Halsey, Kilmer, Ziegenfelder)

MOTION CARRIED

**9. Visitors' Time**

No one else wished to address the committee.

**10. Other Business**

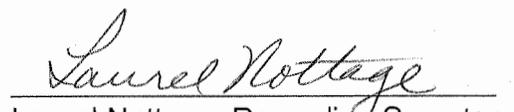

Mr. Diefenbaker asked if the deteriorating pavement on Livernois north and south of Long Lake could be repaired. Dr. Abraham informed him that the Engineering Department is planning to have that done this year.

Mr. Diefenbaker also asked about installing more NO PARKING signs on Blanch. Dr. Abraham will forward his request to Tom Rosewarne, Superintendent of Streets and Drains.

**11. Adjourn**

The meeting adjourned at 7:53 p.m. The next meeting is scheduled for May 17<sup>th</sup>.

Reference to:

Request for waiver of sidewalk requirements at 2977 Lenox

We are very much in favor of a sidewalk on Adams Rd. at 2977 Lenox to connect south. I am a walker and find walking along Adams Rd. right of way extremely dangerous and frequently not accessible because of uneven and muddy terrain. To cross Adams is also very unsafe.

Thank you.

Troy Traffic Committee  
Engineering Department  
500 West Big Beaver  
Troy, MI 48084

To Traffic Committee:

I recently received a letter denying my request for waiver of sidewalk installation at 1126 and 1132 Chopin.

I am writing to request that you please reconsider this item. I'm not a builder and I was unaware that I was required to show up in person to the Traffic Committee meeting in order to make the case for waiver of sidewalk consideration. I will certainly attend the next meeting as required should you choose to reconsider this item.

Please contact me with any questions you may have and I thank you for your consideration in this matter.

Sincerely,

Chris Vance

**To:** John K Abraham  
**Cc:** Sharyn Dennis  
**Subject:** Troy Neighborhood Traffic Sign Request  
**Importance:** High

Hello Dr. Abraham,

My name is Sharyn Dennis and I was born and raised in the City of Troy, have lived here for 28 years and also worked for the City of Troy for 3 of those years. My husband and I, with our 2 year old son and Chocolate Labrador, have recently moved to the northeast side of Troy on the Northeast corner of Long Lake and John R Road (Long Lake Meadows).

I am writing to you about a concern that my family and neighborhood have with the street my family lives on, and the street adjacent to, not having any sort of yield or traffic sign at their intersections. I live off of Sweet Drive right where it "T"s with Ivanhoe Drive. Directly adjacent to Ivanhoe (two houses down from us) is Cloister Drive which also T's with Sweet Drive. We live at, what we believe, a dangerous intersection where there is a constant traffic flow coming through a high speeds, since Ivanhoe connects our neighborhood with an older neighborhood, and allows for traffic through to John R Road (Ivanhoe Drive through Highbury Drive). I am hoping to speak to you and the committee to voice our concern and have either a yield/stop sign installed at, at least, the Ivanhoe/Sweet "T".

I am willing to assist with any research that you may need to do for it (speed monitoring devices, the traffic counters, etc....). For your reference, I have also attached a .pdf document that maps out the area of concern.

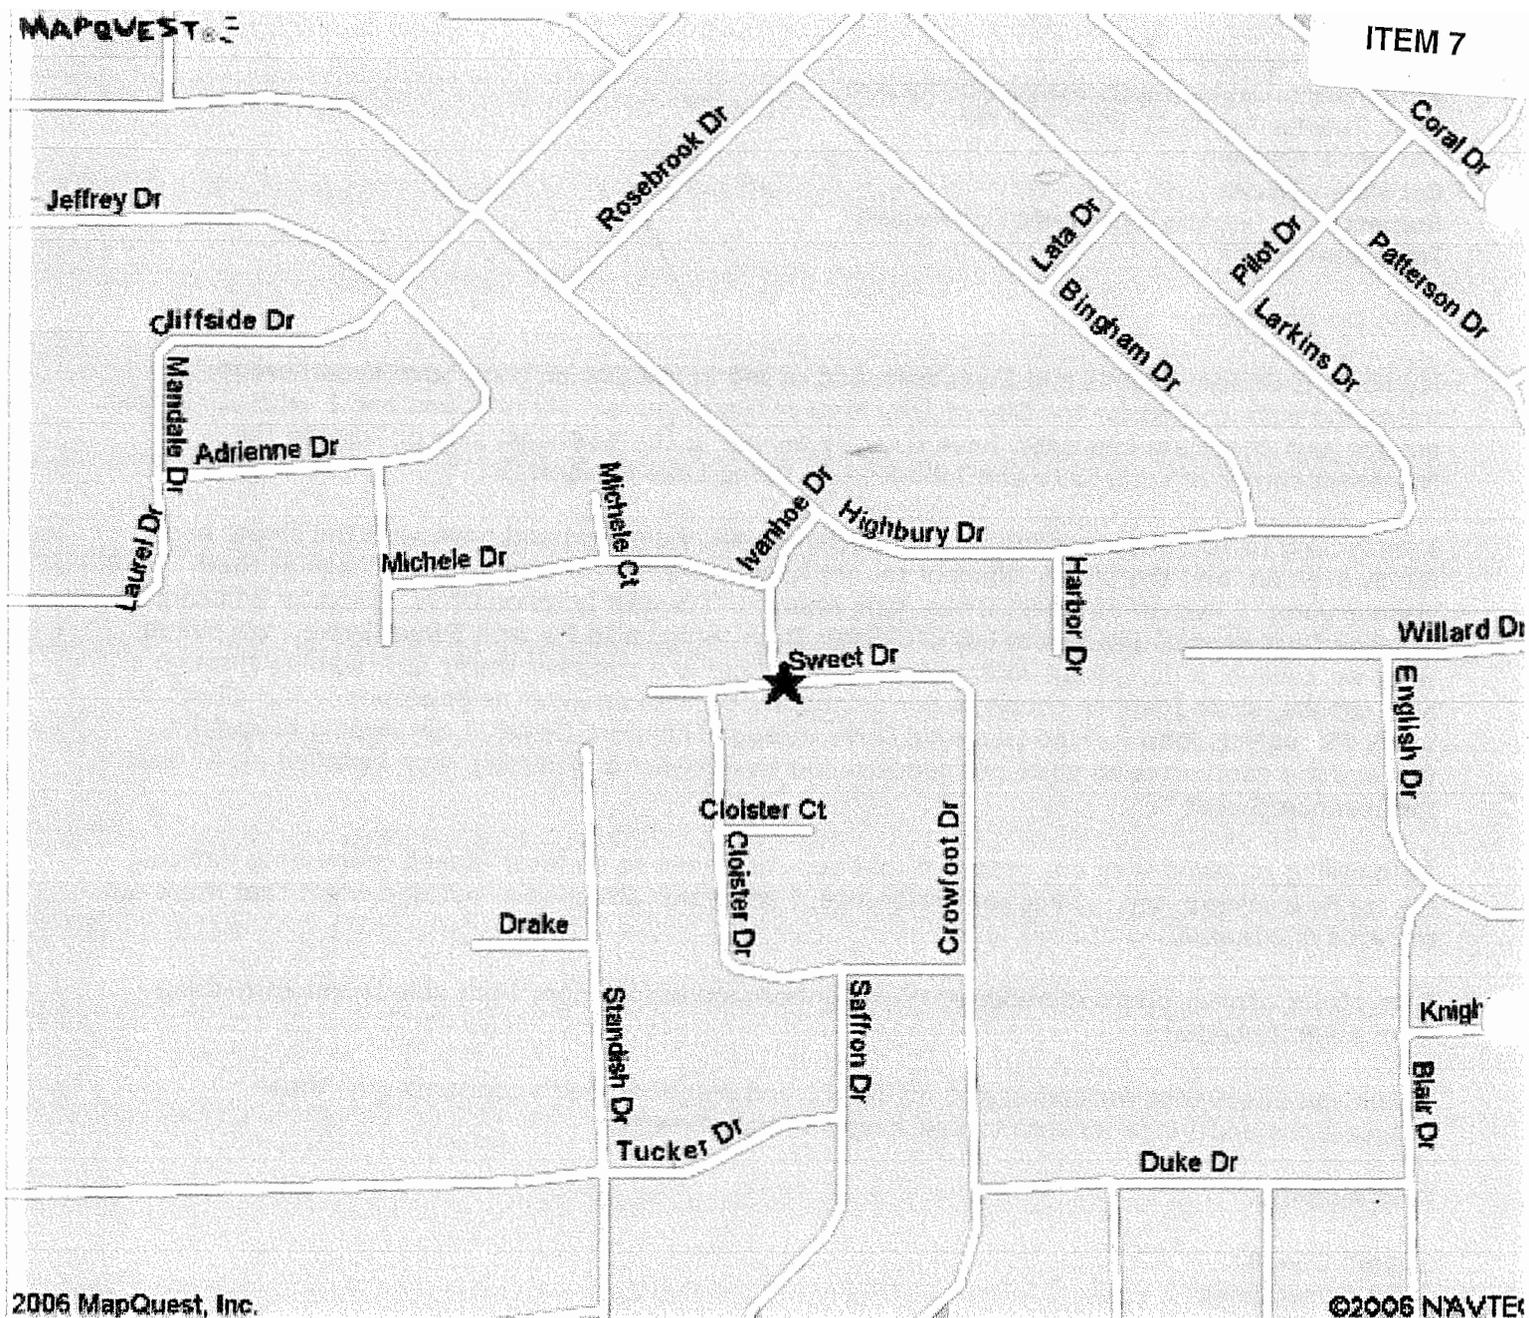

I am also a current board member of the neighborhood association, I am able to get something from them if needed.

Thank you in advance for addressing my family and neighborhood's concerns with these intersections and I look forward to speaking with you directly.

Kind regards,

Sharyn Dennis
