MOTION TO APPROVE MINUTES AS WRITTEN CARRIED

ITEM #2 – VARIANCE REQUEST. ALLIED SIGNS, 2155 W. BIG BEAVER, for relief of Chapter 85 to place a second 37 square foot sign on an existing office building.

Mr. Stimac explained that the petitioner is requesting relief of Chapter 85 to place a second 37 square foot sign on an existing office building. This property is zoned OSC (Office-Service-Commercial). Section 85.02.05 (C) of the Sign Code allows one wall sign up to 200 square feet in area for a building this size. There is already an existing 37 square foot sign on the north elevation of the building that is proposed to remain.

Mr. Patrick Stieber of Allied Signs was present. Mr. Stieber stated that they wished to add a secondary sign on the west elevation of this building. Due to the layout of this site, it is very difficult in getting the traffic to come in from Butterfield. The lack of signage in this area causes many people to miss this turn. The Sign Code would allow them to have a much larger sign and adding this proposed second sign would still be well within the area limits of the Sign Ordinance. Mr. Stieber also stated that the sign will be aesthetically pleasing and will add a safety issue for on-coming traffic.

Mr. Dziurman asked if the bank occupied the entire first floor of the building.

Mr. Stieber said that it did and he also thought that were offices located on other floors.

Mr. Dziurman asked how long the existing sign has been in place.

Mr. Stimac stated that this site has been a bank since 1999. Chase Bank has been in this location since 2006.

Mr. Dziurman asked if any other tenants would be coming in for signage and Mr. Stieber stated that they would not.

Mr. Szerlag asked if the sign was illuminated.

Mr. Stieber said that it would be an illuminated channel letter sign.

Mr. Dziurman opened the Public Hearing.

Mr. Larry Schwar, a representative for the company that holds the national sign contract with Chase was present. Mr. Schwar stated that he felt this sign would be aesthetically pleasing also.

No one else wished to be heard and the Public Hearing was closed.

There are no written approvals or objections on file.

ITEM #4 – VARIANCE REQUEST. MICHAEL ROUSSEAU, INTRACO, 530 STEPHENSON, for relief of Chapter 85 to install two 42 square foot wall signs on an existing office building.

Mr. Stimac informed the Board that after further review of the documents submitted, it was determined that there was an error in the public hearing notices for this request. As well the petitioner has indicated they may want to change their application. Therefore, he asked that the Board postpone any action on the request.
