Present to answer questions from the Committee was Mr. Chris Rodgers, Real Estate Manager for the Great Lakes Division of The Kroger Company.

Also present at the meeting was Ms. Ann Comiskey, Executive Director of the Troy Community Coalition.

Sgt. Cantlon presented the Committee members with information on the Kroger Company's liquor violation history in Troy, as well as Oakland and Macomb Counties.

Mr. Rodgers explained that The Kroger Company is open for business in the three former Farmer Jack locations in the City of Troy. He stated that the stores are currently organized and stocked to resemble the former Farmer Jack, but each location would be remodeled in the future. He thanked the Committee for convening for this Special Meeting to consider the license transfers.

Concerns were presented by Allemon and Ms. Comiskey as to the location of the beer and wine in the John R/Big Beaver store. They felt that those items should be in an aisle further away from the entrance/exit door and within view of the Service Desk personnel. The Committee asked further questions and discussed this issue.

The Committee discussed a suggestion that their recommendation for approval of the license transfer contain restrictions that The Kroger Company relocate the beer and wine shelves and coolers when the stores were remodeled.

There was also discussion to approve the license transfer without restrictions.
