Present to answer questions from the Committee was John Carlin, attorney for TGI Friday's, Inc.

The building currently at 591 West Big Beaver Road, formerly O'Grady's, will be demolished and a new structure built for TGI Friday's. The building will closely resemble other Friday's locations with the typical façade and interior design. There will be approximately 220 seats. The original completion date was late 2005, but Mr. Carlin anticipates an extension to that date.
