Subject: BOOMERS AND SHAKERS FORUM – Troy Master Plan Update

City Administration and Carlisle/Wortman Associates (CWA) continue to advance the Master Plan Update. As part of the planning process, we developed an inclusive community engagement process. Our community engagement strategies included a Real Estate Forum, High School Forum, and Neighborhood Forum. On Monday, August 17, 2015 we held a Boomers and Shakers Forum.

The Boomers and Shakers Forum was advertised using a range of tools and methods. This included Twitter, Facebook, press releases sent to local media outlets, local churches and homeowners association representatives, posted on website calendar and eblasts.

The forum was attended by approximately 75 Troy residents. Representatives of City staff and CWA presented information related to the City's aging population. They then led participants on an engagement exercise to gather input on a range of issues. The following members of City staff and CWA attended the forum:

Brian Kischnick, City Manager  
Mark F. Miller, Director of Economic and Community Development  
R. Brent Savidant, Planning Director  
Maggie Hughes, Management Assistant  
Elaine Torvinen, Recreation Supervisor  
Richard Carlisle, CWA  
Ben Carlisle, CWA

The results of the forum will be summarized and presented to the Planning Commission at a future meeting. The Planning Commission will incorporate the results into the draft Master Plan as appropriate.
