3. Request for Sidewalk Waiver – 2900 Lovington (Sidwell #88-20-36-426-015)

Amgad Beshaw requests a sidewalk waiver for the sidewalk at 2900 Lovington (Sidwell #88-20-36-426-015). Mr. Beshaw states that *"we need please to wave us from the sidewalk in the use of Lovington Ave, because we don't have sidewalks in Lovington Ave"*.

Mr. Beshaw was present at the meeting and stated that they are requesting the sidewalk waiver as there are no sidewalks along either side of Lovington. The sidewalk would connect to nothing,

Resolution # 2015-09-39
Moved by Easterbrook
Seconded by Wilsher

WHEREAS, City of Troy Ordinances, Chapter 34, allows the Traffic Committee to grant waivers of the City of Troy Design Standards for Sidewalks upon a demonstration of necessity; and

WHEREAS, Gary Abitheira has requested a waiver of the requirement to construct sidewalk based on no other sidewalks on Troywood to connect to; and

WHEREAS, the Traffic Committee has determined the following:

- a. A waiver will not impair the public health, safety or general welfare of the inhabitants of the City and will not unreasonably diminish or impair established property values within the surrounding area, and
- b. A strict application of the requirements to construct a sidewalk would result in practical difficulties to, or undue hardship upon, the owners, and
- c. The construction of a new sidewalk would lead nowhere and connect to no other walk, and thus will not serve the purpose of a pedestrian travel-way.

NOW THEREFORE, BE IT RESOLVED, that the Traffic Committee **GRANTS** a waiver for the sidewalk requirement at 607 Troywood (Sidwell #88-20-22-202-050).

MOTION CARRIED

5. Request for Sidewalk Waiver – 2060 Rochester (Sidwell #88-20-27-430-040)

Gary Abitheira requests a sidewalk waiver for the sidewalk at 2060 Rochester (Sidwell #88-20-27-430-040). Mr. Abitheira states that *“this house is a corner house on Rochester Road and Larchwood. Sidewalk was put on Rochester road, however houses on Larchwood don’t have sidewalks – the sidewalk would run directly into a fence. It would serve no purpose while also bringing in a possibility of discrepancies between neighbors”*.

Mr. Abitheira was present at the meeting and stated that he is requesting a sidewalk waiver as there are no other sidewalks along Larchwood. The sidewalk would lead to nowhere and connect to no other sidewalk. The sidewalk would require that a fence and tree be removed on an adjacent parcel. 2060 Rochester is a corner lot and Mr. Abitheira did install the eight (8) foot sidewalk along the Rochester Road frontage.

Ms. Wilsher stated that the only sidewalk in this area is along Kelley which has several multi-family dwellings. There are no other sidewalks in this area. Ms. Wilsher said the streets in this area are dead end streets and wide enough to allow for pedestrians to walk in the street.

General discussion of this item ensued. The sidewalk is required along what is the detention basin parcel. This parcel is heavily wooded to screen the detention basin and would require removal of significant vegetation to construct a sidewalk that would connect to no other sidewalks. Devonwood is an existing gravel road.

REGULAR BUSINESS

7. Request for Traffic Control – Braemar at Aberdeen

Traffic does not yield the right-of-way and travels through the intersection at a high rate of speed and is unsafe for drivers and pedestrians.

No residents were in attendance at the meeting to discuss this item.
