Deletions:

Cecil	200.00 ft.	Acreage
-------	------------	---------

Cecil is a private gravel road on the east side of John R, north of Big Beaver that provides access to four (4) homes. The City does not maintain Cecil and it is included on the Act 51 map in error. The addition and deletion of these local streets will bring the local road mileage total to 268.15 miles, the major total will remain at 57.34 miles.

Financial

- The City of Troy's allocation of Michigan Transportation Funds is based on the number of miles of road under City jurisdiction. The roads listed under additions are under control of the City, open for public purposes, and are being maintained by the City. It is necessary that the foregoing roads be added to the Act 51 mileage report so that transportation funds can be properly allocated to the City of Troy.

Recommendation

- It is recommended that the roads listed above, under additions, be accepted and certified for the Act 51 mileage report.
