

On behalf of Kelly Services, I wanted to thank you all for participating in our **Take Your Child to Work Day** on Thursday, April 28th, 2016. We know that you all have very important roles within the Troy Police Department and we appreciate you taking time out of your day to educate the 190 children of our employees regarding safety and the Troy community. We have received such positive feedback from employees and children who all walked away so impressed. **I am happy to report that the highest ranked tour stop was the Troy Police and the K-9 unit.** I've attached a few pictures from the event, as well as some *comments* that we have received that I thought you would enjoy.

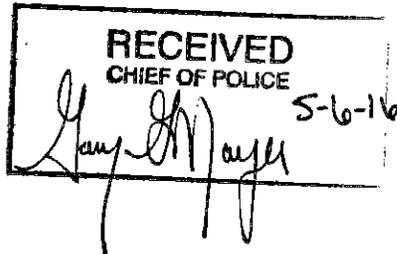

- "I enjoyed seeing the police dog and talking to the police officers.
- Thank you for making this day really special for the kids (and for the employees at Kelly).
- It is wonderful that Kelly supports this. We are lucky to work for such a great company!
- The kids absolutely enjoyed themselves and are already saying how they want to work for Kelly Services when they grow up.
- My daughter had a fantastic day and I know she has so many memories now that she will never forget.
- They cannot stop talking about it and could not wait to tell their teachers and friends at school today!"

We appreciate what you do and thank you so much for protecting our children, our employees and the community.
