Chief Mayer,

On October 17, 2015 Officers of the Auburn Hills Police Department responded to the Great Lakes Crossing Mall for an Armed Robbery at the Burlington Coat Factory store. Two Loss Prevention Officer's from the retailer confronted a serial shoplifter and attempted to make a stop. During the contact, the offender brandished a pistol enhancing the charge to an Armed Robbery.

Due to the complex nature of this crime, and the critical need for Investigative work, our agency requested assistance from the Special Investigations Unit (SIU).

As you are aware, the Special Investigations Unit is a multi-jurisdictional unit comprised of Investigator's from the City of Troy, the Auburn Hills Police Department, Bloomfield Township and Birmingham Police. The unit is an excellent source of experienced Investigator's which can be activated in times of great need. These resources include field interviews, evidence analysis, technical assistance, surveillance and fugitive apprehension.

Pursuant to the recommendation of the Auburn Hills Police Department Awards Committee, it is my pleasure to submit this letter of Appreciation to the investigators that assisted with this incident. Their help and assistance is greatly appreciated. (15-20489)

Sincerely,

Chief Doreen Olko
