3. Request for No Parking Zone – 6660 John R – South side of Stirling, east of John R

Lynn Pung of 6660 John R requests that a No Parking zone be created on the south side of Stirling, along her northerly property line. Residents, landscapers, general public, etc. have been parking in this area and Ms. Pung is concerned for her safety, privacy and utilization of her property.

No residents were in attendance at the meeting to discuss the request.

Mr. Ziegenfelder discussed that posting just this property as a No Parking zone could create confusion for motorists. He believes that the entire south side of Stirling, from John R to Ravenna should be posted No Parking if any posting is done.

Mr. Huber questioned if we would have to do the entire street or if just this property could be posted No Parking. Site specific No Parking zones have been approved in the past in other areas of the city, but have been approved based on factors typically related to the motoring public (sight distance, corner clearance for turning vehicles, etc.) or due to proximity to a school. It has not been common to just post a location as No Parking due to a concern from a resident that they do not want someone parking next to their property.

Mr. Brandstetter stated that a No Parking zone adjacent to the property would not create a hardship for other property owners. He is concerned that it could set a precedent for future requests where a resident does not want someone parking in front of their home. Mr. Brandstetter stated that the fence that has been installed should mitigate some of the concerns that the resident had prior to the fence being installed.

4. Request for No Parking Zone – 3557 Delaware – West side of Delaware, south of McManus

Dave Lovio of 971 Portsmouth requests that a NO PARKING zone be established on the west side of Delaware, from the southern edge of the sidewalk to a point approximately 20' to the south. Mr. Lovio reports that vehicles, landscape contractors, etc. park very close to the intersection creating a vision obstruction for vehicles turning and/or passing through the intersection of Delaware at McManus.

Mr. Petrulis requested clarification regarding the No Parking zone to be established. The request was to create a No Parking zone at the corner to prohibit vehicles from parking at or near the intersection and creating a vision obstruction.

Mr. Brandstetter commented that this request would provide for increased sight distance for the general motoring public. The request is not just to eliminate parking at a specific location but to eliminate parking that can or has been creating a safety concern.
