Troy, MI 48084

August 5, 2016

Dear Chief Roberts,

On behalf of the entire membership of Beachwood Recreation Association, I want to thank you and your amazing staff for making our annual Fourth of July parade a special event once again. As a family club, we realize how important spending time with family is, especially during a holiday. We appreciate the time your firefighters and volunteers sacrificed away from their families on the Fourth of July to help make our event one that all the kids (and adults) will remember.

From the parade around the neighborhood to getting sprayed by the hose, a great time was had by all. We appreciate all you do for our community!

Sincerely,

Lisa Kelley
Beachwood Social Chair
