Subject: Compliment

Good Morning,

I wanted to send an email saying thank you to an EMS employee that came out to my home on Monday, August 15th. His name was Mike Donnellan. We called for a check on our Carbon Monoxide detector alarm. He was very professional, super nice, thoughtful, thorough and very friendly to myself and my 15 month old daughter. Thanks so much to the City of Troy for being so responsive and employing great people.

Thanks again!!

Leslie Wojcik
