Dear Valued Community Leader,

On July 22, 2016 President Obama signed into law the, *Comprehensive Addiction and Recovery Act of 2016*. I had the privilege of serving on the conference committee for this bi-partisan legislation, which ensures federal agencies can award grants to address addiction to heroin and prescription opioids.

The Comprehensive Addiction and Recovery Act of 2016 is one piece of the larger puzzle to combat the growing epidemic but it is certainly not the last. This is why I would like to invite you to participate in a forum with fellow community leaders to discuss how Washington DC can better support local initiatives to end opioid abuse.

This event includes a panel discussion with experts from law enforcement, non-profit, and medical communities along with plenty of time to ask questions. I have included a flyer about the forum in this envelope but again, here is the relevant information:

When: Monday, September 19, 2016, 9:00 AM – 10:30 AM

Where: Waterford City Hall, 5200 Civic Center Drive, Waterford, Michigan 48329

RSVP: to Deanna Schafer at Deanna.Schafer@mail.house.gov or (248) 528-0711

If I can ever be of assistance, please do not hesitate to contact my office.

Sincerely,

Dave Trott
Member of Congress
